With Megapari, Marikit Holding is throwing another complete offering in terms of sports betting and online gambling onto the 2 market. They are responsible for success stories like 22bet or 1xSlots, for example. Therefore, in the Megapari test, we are 2 interested in whether the provider also ensures the best Megapari experience with this newcomer in the online segment for German-speaking 2 tipsters and players. And with over 3000 slots and more than 40 sports and XL game depths, XXL casino and 2 sports betting action awaits you here in abundance! If you just want to grab the Megapari bonus quickly and are 2 not interested in our Megapari experience, one click is enough. If you need more info about the newcomer, you've come 2 to the right place in the best Megapari review on the net. Then you just have to read on!

Pros Over 3000 slot machines

1500 game depth

100+ slot providers

Good sorting functions

Over 40 sports! Cons Real money betting available 2 in small number of countries

Some countries are restricted

This is how Megapari captivated me

New bookmaker? And then also from Eastern Europe? 2 I am cautious at first! Therefore, before I registered, I first informed myself about the bookie. The good news is 2 that they have a license from Gibraltar. For me, this was the decisive point to give the provider a chance. 2 And that has fully paid off as of now. I have never seen a provider with such a large betting 2 offer. In addition, I can take advantage of daily offers and various features. So I'm happy as can be and 2 still glad that I dared to take the step of opening an account.

Megapari eSports Experience: Hot bets around the clock

As 2 a young betting provider, Megapari has also focused on eSports from the very beginning. This is welcome news, as it 2 still looks a bit different with many providers. Here, however, you will find a wide selection and can bet on 2 all relevant games according to our Megapari eSports test. For example, you can bet on matches in Call of Duty, 2 Arena of Valor, Clash Royale, CS:GO, Dota 2, League of Legends, or Overwatch. You can also bet on Rainbow Six, 2 Rocket League, Starcraft 2, Valorant or Warcraft 3.

Welcome Bonus and Promos

When it comes to promotions and bonuses, Megapari divides them into two main categories:

1. welcome bonus

100% up to €/\$100.

If you enter our exclusive M_100 bonus code, you will receive a bonus increase of up to €/\$130 or in the corresponding currency. When you bet on , you will be rewarded with loyalty points that can be converted into credits on your betting account or spent as part of other bonus programs.

2. megapari promotions

Accumulator of the day

AdvancedBet

Sports / Live Bet Slip Battle

100% Bet Insurance ... and others

It is clear to see that Megapari offers more bonus offers for its sportsbook than for Megapari Casino. Therefore, the operator needs to improve in this area. Bonuses are subject to special terms and conditions.

Usability, look & feel: Very modern design with a lot of information

The sports betting portal relies on a very unconventional design. For one thing, there are no stationary bars here; instead, the provider focuses on the essentials. Namely, the display of betting options. To a beginner, this overabundance of information might seem overwhelming.

Stationary elements can be found at the very bottom of the Megapari test. Namely, once the betting slip to fold in and out and once access to the live chat.

The betting offers in the pre-match and live betting sector are not selected on the left side here, but at the very top via a selection bar. In both the casino and the sportsbook, if you scroll all the way to the top, you can have a menu column appear on the right.

This then provides access to all important sections, your profile and the bonus offers. We would like to see a menu that is always accessible and that you don't have to scroll all the way to the top. The design concept in the casino is reminiscent of traditional online casino structures. But here, too, the provider relies on a very modern look.

Betting markets: 40+ sports and XXL depth of play

In the bookmaker portal itself, you can expect over 50 different sports. That alone is a number that only a few competitors can match. The focus is on King Football. Here you will find the highest depths of up to 1500 betting options per game. That is a house number that we only know from competitors like 22bet. Secondary sports such as darts or billiards are also covered extensively.

In the special bets, the provider has a unique selling point. You can bet not only on international TV events or political outcomes. For example, you can also bet on how the weather will be. Only in terms of eSports betting did it look a bit lukewarm at the time of testing. Although these are available, they are not as extensive as those of the competition.

Betting odds: A good odds level with occasional outliers

For King Football, the average odds key settles around 95%. This is a very good value compared to competitors. A direct odds comparison with competitor bet365 in the English Premier League paints a similar picture: the odds are similar. Occasionally, Megapari manages to offer slightly better odds than the traditional English bookmaker, especially for draws.

Live betting & streaming: A live table can be this extensive

At the time of testing, the live betting offer included the same sports as in the pre-match sector. And also with the live bets, an XL depth of play takes effect. Here, there are up to 500 betting options per match. Instead of a multiple display, the provider relies on a tabular overview. And this tabular overview is more extensive than at competitor Tipico. Because here you can find up to 16 quick selections for quick tipping. In the individual displays, the provider relies on an innovative 3D game display. The live statistics are also extensive. Changes in odds are indicated by the complete odds field lighting up in green or red. However, they only light up for a very short time, so that this could be overlooked. Here we would wish that the colored markings would remain longer.

Payments: Sufficient variety and transparency!

In 2 order to get a high score in the test category with the payment methods, it is not mandatory for us 2 that the provider offers a variety of payment methods. Nor does it necessarily have to be free of fees. What 2 we attach great importance to is a transparent display of the payment methods. By this, we mean that the methods 2 available for the casino and sports betting payout & deposit can be viewed without prior registration in the portal. And 2 that is exactly the case here. When it comes to the payment methods, you notice that the same people are responsible 2 behind the offer as at 22bet. There are not 90 methods for depositing, but at least over 50 different ones. 2 And that makes for the best Megapari experience. Deposits are made free of charge. Deposits can be made from one 2 euro. From €/\$1.50 can be paid out. For withdrawals, a variety of methods are also available. And there are no 2 fees for withdrawals either.

Customer service: 24/7 chat helps around the clock!

For the Megapari review, we tested the customer service via 2 live chat. The contact was made on Monday morning. There was no waiting time. A English-speaking employee served us. He 2 answered a query about the turnover requirements of the casino bonus correctly. We rate the conversation process as very friendly. 2 We cannot award a full score in this category. This is because FAQs are currently still missing here. Otherwise, we 2 assume that if there are any problems, you will have a positive experience with this customer service at Megapari Casino. License 2 & Security: Curacao license, SSL and so far a fair appearance.

Before we conducted the Megapari test, we checked whether Megapari 2 can be classified as reputable. The provider has a valid license from Curacao. The websites are secured via valid SSL 2 certificates. A look at current gambling and sports betting forums does not reveal any excessively negative entries. Quite the contrary: 2 so far, the full-service provider behaves very fairly towards its customers. If all these three points are given and a 2 provider passes this security check, we rate it as safe and reputable. Megapari met all our requirements!

Overall conclusion: The Megapari 2 test also shows that a complete offer cannot be much more comprehensive.

Overall, there are no major construction sites that we 2 need to mention in the Megapari test. You will gain just as positive mybet casino experiences as with our number 2 1! On the contrary, if you are one of the players and bettors who like maximum scope, then you are 2 guaranteed to gain positive Megapari experiences with this provider. Just like 22bet, everything here is XXL. If the provider now 2 adds stationary bars to the sports betting portal and implements German-language FAQs, we would have nothing more to complain about. 2 As soon as the corresponding features have been added, the provider has a good chance of placing among the top 2 places in our comparison. You can tell that this offer is backed by people who have already launched a whole 2 series of successful online gambling and bookmaking portals.

Tragedia en mina de oro ilegal en Venezuela deja decenas de muertos

Según el alcalde de la ciudad de La Paragua, Yorgi Arciniega, decenas de personas podrían haber muerto después del colapso de una mina de oro ilegal en Venezuela.

Se estima que decenas de personas han fallecido y que hay más personas atrapadas en la mina derrumbada. Sin embargo, debido a la lejanía de la región, en el sureste del estado Bolívar, hay informes contradictorios sobre la escala del incidente, dijo Arciniega a Espanol en una llamada telefónica el miércoles.

Equipos de auxilio y trabajadores de rescue han sido desplegados en el área donde se encuentra la mina, llamada Bulla Loca, dijo el alcalde.

Egar Colina, un funcionario de seguridad en el gobierno del estado Bolívar, instó a la precaución y dijo que más funcionarios estatales intentan llegar a La Paragua para actualizar la cifra de muertes.

El contexto de la región y la minería ilegal en Venezuela

La minería ilegal ha aumentado en los últimos años en Bolívar, una región forestal afectada por la minería ilegal de oro y otros minerales. La actividad minera informal, a menudo controlada por grupos criminales, se ha expandido y llegado a Canaima National Park, un territorio vírgen que se encuentra en la frontera entre Venezuela y Brasil.

La Paragua está a menos de 40 millas de los límites del parque.

Esta es una historia en desarrollo y será actualizada.
