Poki is a gaming platform that offers an incredible variety of online games. However, that quantity itself causes utter confusion 5 over what actually to play. But don't worry, as we have you covered. We scoured through Poki and found the 5 best games you should play right now. So, without further ado, let's dive in.

### 1. Subway

#### Surfers

Remember the Infinite Runner Subway 5 Surfer? Of course, you do. While the game might have lost its popularity from the yesteryears, Poki acknowledges its legacy 5 and has added the classic into the platform.

In Subway Surfer, you play as a street artist, trying to run away 5 from a policeman and his dog through a subway network. The goal is to pick up as many coins for 5 as long as possible. However, it's easier said than done because the more you run, the more difficult it gets. 5 Do you have what it takes?

### 2. Who

is?

True to its name, Who Is? is a situation-guesser game. You are presented 5 with various situations with people where someone is telling lies. The player's job is to decide who is lying and 5 find the truth.

However, the interesting part is that you must have evidence to support your decision, which is hidden in 5 the game itself. It's a simple concept, very fun over time, and if you are bored, it will help you 5 kill a lot of time while getting a healthy chuckle out of you.

### 3. Stick Merge

Another hyper-casual

game, Stick Merge, makes 5 you play as a stick human tasked with taking out as many enemies as possible on a battlefield. You start 5 with a simple pistol and gradually upgrade it by mixing and matching two weapons for a better one.

While there is 5 no

movement required, it's still quite fun to wave your mouse around and shoot at the moving targets. Do note 5 that reloading takes some time, so plan your shots accordingly. The game is easy and perfect if you have a 5 downtime between your work.

### 4. Temple Run

2

Another classic game for mobile phones also returns. Temple Run 2 is an endless 5 runner, where you guide the adventurer to escape from a castle while getting chased by monsters. You control the turns, 5 ensuring they don't bump into a wall.

Like Subway

Surfer, the speed increases, making the game harder. It's one of those 5 titles that has defined gaming on a mobile phone. Hence, if you have never played this, try giving it a 5 run (pun intended).

5. Murder

If you love TV shows on royalty and deceit, you will love the Murder game on the 5 Poki online platform. It's a simple game that involves you taking out the king and claiming the throne for yourself. 5 It is played like the traditional Daruma game from Japan.

You charge up your knife slowly and ensure the king doesn't 5 notice your attempt to murder them. However, the king keeps looking back, so make sure you let go of the 5 knife when he does.

6. Bubble Trouble

Bubble Trouble

involves you playing as a demon while wearing some of the most pre-2010 5 fashion. I mean, look at the glasses and the black coat. That just gives an extreme Flash game vibe. Its 5 history is rooted in the humble Android Play Store, and it returns as a classic to the Poki platform.

You essentially 5 have to pop bubbles using your rope gun and ensure you don't get hit by them. Later levels make it 5 a chaotic experience and will help you kill time. Check it out and add some chaos to your life.

7. Stickman

5 Hook

One of my favorites on Poki, Stickman Hook, instructs you to control a stickman shaped like a ball across various 5 levels. While that would've been easy, you hook and swing to the finish line. There are various points spread throughout 5 the map that you must balance to get to the end.

If you want to play Spider-Man 2 but don't own 5 a

PlayStation 5, you can give this a try. Jokes apart, have a look at Stickman Hook and tell us 5 if you had fun with it.

8. Drive Mad

Drive Mad is an interesting game that combines the pleasures of driving a 5 monster truck with some wonky physics. The goal is to take the car from one point to another without crashing 5 it.

However, the difficulty

amps up as it gets harder to control it at later levels when the vehicle increases in 5 size, and the physics gets wonkier with terrain change. Oh, and did we mention that you'll also need to drive 5 the truck backward? Let's see if you can handle it.

9. The

Final Earth 2

Another favorite game of mine on Poki, 5 The Final Earth 2, puts you up with the responsibility of creating a brand-new colony for settlers from Earth. Gather 5 resources, make structures, and send out party members to explore.

Those who have

played other management games will fill in naturally. 5 This is because it takes the foundations laid by titles like Terraria and numerous other city builders and does a 5 good job of boiling those fundamentals down to something simpler. However, like other builders, it comes with its fair share 5 of challenges.

10. Vectaria.io

Vectaria.io is a

Minecraft clone that follows the same ideas introduced by the game. However, this one is 5 on a much smaller scale and online. This means you can gather items, create structures, and even fight enemies alongside 5 other players.

Some players even like the

added blend of creativity over the original. Vectaria also gives players three different modes 5 to choose from for added variety.

These are our ten picks for the best

Poki online games that you should try 5 out in your free time. So, did any of the games catch your attention? Is there a game that you 5 feel we should try out? Let us know in the comments below.
